

Rosario Brancato Retina Award

On behalf of Prof. Francesco Bandello and all the members of the Awards Committee (<https://www.brancatoaward.eu/committee/>), we are pleased to announce that the submission period for the fourth edition of the *Rosario Brancato Retina Award* is now open. This prestigious award provides an important opportunity to recognize excellence in research and clinical practice in the field of retinal studies.

For more information on the submission process and selection criteria, please visit the website

www.brancatoaward.eu

The prize, worth 30,000 euros, will be awarded during the OCT & RETINA FORUM Congress (Milano, March 13-14, 2025) and the winner will have the opportunity to give a lecture.

We invite you to submit your application by December 31, 2024.

Don't miss the chance to take part in this important competition and join the list of Winners of the ROSARIO BRANCATO RETINA AWARD!

Winners of past editions:

Rajeev Muni - 2022, Enrico Borrelli - 2023,
Maria Vittoria Cicinelli - 2024
